Instructions: As you watch the film, note things that relate to the topics below. You will be returning to each topic **throughout the film**. Continue on the back when you run out of space.

1. List the various activities, tactics, and methods the women used in their campaign:
2. What were the problems, issues, and obstacles facing the women as they campaigned for suffrage?
3. List and describe the various *types* of people involved in the struggle – including the various classes of women suffragists and the people they had to lobby for change:
4. What did they achieve and when did they achieve it?
5. Evaluate the film (give your opinion of the film and why you feel that way based on details from the movie):
