Instructions: As you watch the film, note things that relate to the topics below. You will be returning to each topic **throughout the film**. Continue on the back when you run out of space.

1. List the various activities, tactics, and methods the women used in their campaign:
2. What were the problems, issues, and obstacles facing the women as they campaigned for suffrage?
3. List and describe the various *types* of people involved in the struggle – including the various classes of women suffragists and the people they had to lobby for change:
4. What did they achieve and when did they achieve it?
5. Evaluate the film in terms of how it helped you learn about the women's suffrage movement:
