

Answer all the questions below. Continue on the back if you need to.

1. What were the stereotypes that Joseph Suina (Native American) and Jeanne Park (Asian) experienced?
2. What effects did those stereotypes have on each of them?
3. Is there such a thing as a positive stereotype? Explain.
4. Why do you think people stereotype others?
5. What dangers do you see in stereotypes?
6. Choose one of these questions to write about (you can write about both for bonus points):
  - 6a. Write about a time when someone made a wrong assumption about you or someone you know based on race, ethnicity, gender, age, etc. that was wrong. What did they assume? What was the truth? How did it feel to be stereotyped in this instance?
  - 6b. Write about a time when you made an assumption about someone else based on their race, ethnicity, gender, age, etc. that was wrong. What did you assume? What was the truth? Was anyone hurt or could anyone have been hurt by your assumption?
